

The 32nd International Conference on
Computational Linguistics

**CALL FOR
SPONSORSHIP**

The 32nd International Conference on Computational Linguistics

Macau, China
May 9 – 14, 2027

COLING 2027

COLING, the International Conference on Computational Linguistics, stands as one of the premier venues for research in natural language processing and computational linguistics. Founded in 1965, this biennial conference has traveled across the globe, consistently attracting participants from both world-leading research institutions and emerging scientific communities.

Today, the most transformative advances in our field arise not only from universities and academic research institutes but also from industrial R&D departments and technology startups. COLING offers a unique and vibrant platform for all these diverse communities to present their groundbreaking discoveries and foster cross-sector collaboration.

COLING 2027 will be held at the Galaxy International Convention Center, **Macau SAR**, from **May 9 to 14, 2027**. The main conference program runs from May 10 to 12, preceded by tutorials on May 9 and followed by workshops on May 13–14. We anticipate an attendance of over 2,000 participants from academia, industry, and government worldwide.

We cordially invite your organization to become a sponsor of COLING 2027 and to join us in shaping the future of computational linguistics. Your support will not only enhance the conference experience but also position your brand at the forefront of global NLP innovation.
